Russian Window Blinds.
MESSRS. WILKINS & ADAMS, at the
city of this city, and offer them the simplest,
most durable and beautiful article of window
blind ever seen in this section. It ex-
tends not only to the interior of the room, but
to the exterior of the building, and is made
of the finest material, and is of a most
superior quality.
TRIADPHIA ELECTION CASE.—It will
be seen by the proceedings of the Board
of Supervisors, which met in the Court
house yesterday, that they passed a
motion to reconsider their action in
throwing out the vote of the township
of Triadphila being in the illegal vote
being registered in that precinct. They
did not succeed, however, in arriving at
any practical decision, as there was no
quorum present at the meeting of the
Board in the afternoon.

SPRING TRAVEL.—The city has been
having a large influx of strangers during
the present hot weather. A
great many sojourn among us but a
short time, being here to enjoy the
last summer pleasure tour. We judge
the different hotels in the city must be
doing a most excellent business at
present, as well as the different omni-
bus lines. The hotels are crowded and
the omnibus teams have almost as
many passengers as they can receive
and the great majority of the people
that let them be as full as they can,
there is always "room for one more."

We were yesterday the recipients of
another lot of fine strawberries from
the gardens of P. Yost & Bro. We
thought that they were from them
on a former occasion were among the
finest we had ever seen grown in this
section of country, but like the master
of ceremonies at the marriage at Gal-
liee we can say, "thou hast reserved the
best till now."
The Messrs. Yost are willing to put
their fruit to the test of a comparison
in every respect with any brought to
this city from any source, and the
best part of it for those who love the
delicate fruit is, that they have plenty
of them.

THE DEEP-INTEREST which all our people
are manifesting in the highest work
of the English Lutheran Mission Sun-
day School, promises to make its com-
ing festival at the Island Park one of
the most interesting and attractive
ever held in our midst. The energy
displayed by the committee
and the lady teachers is truly re-
markable. They are to-day erecting
a fine large airy building, which will be
brilliantly lighted and handsomely
furnished. They have come to work
with "push" as their motto, and feeling
the grandeur of the Sunday school mis-
sion work, they will know no
defeat. They deserve success and we
will not doubt have it far beyond their
expectations.

FESTIVAL LAST NIGHT.—The Festival
last night, at the Washington
Hall by the ladies of the German Evan-
gelical Lutheran St. James' Church,
was one of the most successful of the
kind that has come off in the city for
some time. Though the weather
yesterday was rainy and disagreeable,
yet the ladies succeeded in adorning the
hall in a very tasteful manner, and in
providing a sumptuous and elegant
dinner. The ladies succeeded in drawing
forth numerous greenbacks from the
pockets of all the guests, and the
ladies themselves with dainties sufficient
to make the most fastidious epicurean
satisfied. The water was very cold,
and the ladies themselves with dainties
sufficient to make the most fastidious
epicurean satisfied. The water was very
cold, and the ladies themselves with
dainties sufficient to make the most
fastidious epicurean satisfied.

RIVER NEWS.—There were about
eight feet water in the channel last
night, and eight feet water in the
channel this afternoon for Cincinnati.
The Eagle is the regular Parkersburg
packet to-day at 10 o'clock A. M.
The Little Combs departs for Sun-
day at 3 o'clock this afternoon.
The Henry is expected for Steubenville
at 2 o'clock this afternoon.
The Pittsburgh Dispatch of yesterday
says: "The river continues to recede,
and five feet water in the channel by
the new marks on the Monongahela
bridge. The Forest City departed for
Parkersburg yesterday morning, and
arrived at Cincinnati with a good trip.
The Leonidas is loading for St. Louis;
the Arablan and Nora for Cincinnati;
the former will leave to-morrow and
the latter to-day. The Pine Bluff is re-
ceiving for the Kansas river, and the
Keda Katman for Cincinnati and
Allegany river is falling at this point,
with about five feet and a half in the
channel, by the successful bridge
marks. Dispatches from Oil City
yesterday say there are three feet of water
there, a heavy rain Tuesday night, and
the river will be up to the old mark
parted for Oil City yesterday, with a
tolerably fair trip. There were no ar-
rivals from the river, and the
caval boat which we mentioned as
having sunk at Glass House on Tues-
day have been raised, and the char-
acter of the cargo more clear. The
barge which the Reindeer and Leader the same
day remain still aground on the bar.

THE LATEST FROM HAMIL.—The
Newcastle Chronicle of the 12th brings us
the latest news touching the interna-
tional sealing match. It says: Not-
withstanding the boisterous weather,
and the somewhat rough nature of the
river yesterday, Hamilton took his accus-
tomed morning exercise, morning and
evening. On the latter occasion, con-
trary to what he had originally in-
tended, he made a more thorough trial
of his new American life boat, and put
through a pretty severe test, both as to
his speed and turning qualities, and at
the conclusion he expressed his high
satisfaction with the boat. She was
very strong and stiff, and with the
patient application of a steel spring to the
bow did not seem to move a single
pound of the strokes as the ordinary
sailing ship. It was also recom-
mended by the boat's crew, and the
captain, that in the event of a sea-
son, the boat would be a most useful
and useful boat, but we only wish to
say that it was a most useful and
useful boat, and we only wish to say
that it was a most useful and useful
boat, and we only wish to say that it
was a most useful and useful boat.

MEETING OF THE CITY COUNCIL.—
The City Council met in their chamber
on Market street, last night at 8 o'clock.
The regular President not being present,
on motion, Mr. Adcock was ap-
pointed chairman, pro tem.
The reading of the minutes of the
last meeting was on motion suspended.
The council then proceeded to business.
The petition of H. Sterling, asking
the privilege of using the water from the
fire-plugs of the city for the purpose
of sprinkling the streets of the
city, was read, and on motion, adopted.
The petition of H. Randolph, asking
license to keep a coffee house, was re-
ceived and read. On motion, the peti-
tion was granted, the petitioner giving
approved security.
The petition of the Fire Companies,
asking privilege to take the new steam
fire engine to Zanesville, Ohio, on the
Fourth of July, to attend the celebra-
tion of the fire companies of that city,
was received and read. It was moved
that the petition be granted with the
proviso that they receive the permission
of the Mayor of the city and his assent
as to the number of engines to be taken
out of the city on the day of the celebra-
tion.

The petition of J. Smith, asking that
an ordinance be passed prohibiting the
pulling of flowers in the Peninsula
Cemetery, punishing every offense of
that kind by imposing a fine of twenty
dollars, was presented and read, and
referred to the Committee on Streets and
Alleys.
A resolution to set curb-stones on
Clay street in front of the Fourth Ward
Police Station was presented.
Referred to the Street Commissioner,
with power to act.
A resolution was presented and read
that the Street Commissioner be au-
thorized to grade M'Lane street. Re-
ferred to the Committee on Streets and
Alleys.
The President pro tem read an ordi-
nance in relation to posting handbills,
etc., on the walls and fences of private
and public buildings within the city.
The ordinance was read by some
sections and was adopted with some
amendments.
The resolution was presented provid-
ing that the Street Commissioner be
authorized to reset the curb-stone on
the east side of Main street, between
North and Bank streets. Adopted.
A resolution was presented providing
that the Street Commissioner be au-
thorized to grade the gutters with sand-
stone on Market street from First to
Division. Adopted.

A resolution was presented that the
Street Commissioner be authorized to
pave with sandstone the gutter on the
west side of Main street from North
street to Eckhart's tavern.
A resolution was presented by Mr.
Robinson that the office of Health Of-
ficer for the city be declared abolished.
The resolution was laid on the table
until the next meeting of the Council.
A resolution was presented that the
Street Commissioner be authorized to
grade M'Lane street from Main to Clay
street at a cost not exceeding seventy-
five dollars. The resolution was
adopted.
On motion the Council then adjourned.

**MEETING OF THE BOARD OF SUPER-
VISORS.**—The Board of Supervisors held
their regular meeting at the Court
House yesterday. The following em-
braces the principal part of the business
transacted:
The following named gentlemen were
present: Dr. J. C. Hupp, President;
Messrs. B. S. Good, Henry Wallace,
William Nichols, Joseph Salisbury, W.
Franklin and William P. Wilson.
It was ordered that John Pearson be
sustained to appear before the Board
at the next meeting to be held on the
15th day of June, 1886, to show cause,
if any, why he should not be declared
insane, and to be committed to the
custody of the State of Ohio, in the
Middle Wheeling creek road on the
land of J. S. Bushman, John Brown,
John School and Theological publica-
tion, others should not be opened in ac-
cordance with the order made in relation
to said case on the 20th day of Decem-
ber, 1885.

On motion of Henry Wallace it was
ordered that an appropriation of two
hundred dollars be made for the pur-
pose of appropriating a like amount, be
made for repairs on the Fairmont road,
for the purpose of repairing the same,
and that that county and appropriat-
ed four hundred for the same purpose.
The petition of Dr. J. English for
bond to exonerate him from the responsi-
bility of the petition granted.
The report of Joseph Morgan, Sur-
veyor of the road was received and
ordered to be filed.
Mr. Wilson presented the following
resolution which was passed by ayes
unanimously:
Resolved, That the action of the
Board in reference to the election of the
Township of Triadphila be reconsidered,
and that the same time be referred
to the Board of Supervisors, and that
the Board of Supervisors be authorized
to make such order as they may see
proper in the premises.

REMOVED.—The firm of McCabe,
Kraft & Co. have removed their whole-
sale Drug establishment to No. 21 Main
street. Their new place of business is
one of the finest locations in the city,
and they have everything in stock and
prosperous working order.
The firm is one of the largest in the
Western country, and by prompt atten-
tion to business have succeeded in build-
ing up an extensive trade. Their business,
moreover, is constantly on the increase,
and a present of their Main street
containing a large assortment of all the
articles kept in their line of business, and
we would cheerfully and cordially
recommend the patronage of the
wholesale trade.

SKIFFS AND GAYDOR'S MINISTERS.
The skiff which was celebrated for its
minstrel give one of their minstrel
performances at Washington
Hall to-night. The company consists
of twenty skiff performers, and the
opera house, in Chicago. They have
exhibited in the principal cities of the
country, and have been well received
in terms of praise and commendation.
The skiff will be greeted with a
crowded hall to-night at Washington
Hall.

A lot of fine steel plate engravings
have just been received and are for sale
by Mr. Morton, at his store, No. 90 Main
street. They are of the highest quality,
and are of the most beautiful design.
Goupin's celebrated picture store on
Broadway, New York. You can rely
on the quality and reliability of the
same time a cheap one by giving him
a call.

We direct attention to the advertise-
ment of Messrs. Watkins & Adams
which appears in our columns this
morning. They are of the highest qual-
ity, and are of the most beautiful design.
They are reported to be all they claim
for.

KEEP COOL.—Drop in the Drug Store of E.
Bookings, No. 1045 Fellow's Hall, and try a
glass of his Sparkling Ice Cool Soda Water.
He has just put up the finest Soda Water ap-
paratus in the city, and is prepared to furnish
Soda Water cheaper than ever. Only 5 cents
a glass, or 25 Cents for a dollar. The superi-
ority over all other apparatus, claimed by
this new one, is that neither the syrups, nor
the water comes in contact with any metal,
hence it must be more healthful. All we can
say is that it is hard to beat.

MUCH IN LITTLE.—To keep cool, be fash-
ionable, and do so others do, is to drink Od-
bert's Ice Cold Soda Water, made in the latest
style and in an apparatus excelled by none.
We speak the truth when we say it is the
finest Fountain in the City. To be fash-
ionable is to use Ring's Ambrosia, which is the
only preparation that is warranted to restore
gray hair to its original color, or prevent, and
keep baldness. To do so others do is to buy
all you want in that drug, perfumery, notion,
and pure liquor line at Odbert's fancy drug
and prescription store, end of stone bridge
